

LMKP-LID Board of Director's Meeting Minutes
Wednesday Aug 30, 2023, 1:00 P.M.
Veteran's ITOW Museum, Perham, Minnesota

1. Board members participating: Steve Nelson, Tim Bertschi, Angela Willenbring, Marc Winjum, Mark Plencner, Ken Farnham, and Joe Esser.
2. George Kuferschmid was recognized as a guest at the meeting.
3. Motion by Angela Willenbring, second by Ken Farnham to approve the agenda. Motion carried.
Land use on the pipeline easement area was identified as an additional agenda item and will be discussed during 12. Other Business.
4. Motion by Tim Bertschi, second by Marc Winjum to approve the June minutes. Motion carried. Additional item regarding authorized check signers was identified as a revision to the July meeting minutes. That revision was added to the July minutes. Motion by Angela Willenbring, second by Ken Farnham to approve those minutes with the revision. Motion carried.
5. Jeff Volk and Patricia Spang were identified as individuals interested in serving on the Board since the Board is currently at 7 members and bylaws indicate the Board would consist of 9 members. These two individuals would serve from present through the next election in summer 2024. Marc Winjum moved to approve the addition to the board, second by Steve Nelson. Motion carried.
6. Finance Committee Report. Joe Essert summarized financial information provided to the board. All accounts balanced and in good shape. Joe had coordinated with the County to only take readings and charge the LID when requested instead of on a seasonal basis saving some funds. Also continuing to work on the audits 2021 and 2022 required by the state of MN. Will be checking on the dollar limits for audits being raised which may alleviate the requirement for this action in the future again saving funds. Still receiving bills for locating services that may be outside the LID is responsible for and will follow up on those billings. Motion by Angela Willenbring, second by Steve Nelson to approve the Finance Report. Motion carried.
7. Outlet Committee Report. Arvig spliced and connected the phone line to the pumphouse to fiber optic line as of 24 Aug 2023. Will require specialist to troubleshoot the alarm system in the building to change contact auto call phone numbers, and reactivate some of the equipment alarms. MN Pump still waiting on part deliveries so they can schedule the reassembly of Filter #2. Expect the reassembly and test will occur prior to the end of October. Tim be add maintenance language to the Operating Plan to identify maintenance operations and visual inspection of the pipeline alignment and vent systems.
8. Kerbs Channel Committee Report. Minimal discussion led by Angela. Channel is used frequently. Inspection indicated some minor filling in some areas of the channel but the channel still operates as designed and constructed.
9. Joint LID Report. No action on a Joint LID. Minor communications held with members of the Devils Lake LID to identify potential contractors for O&M since they also no longer use NW Services.
